FIGHT TAZMO

To my fellow fans -

Recently, a member of the community named Blud typed out a informative, and well written page that detailed the exploits of Narutofan creator Tazmo.

The point of this was to further spread the awareness of who Tazmo is, what he does, and why it is wrong. However, things like these tend to eventually need updating, and that is why this has been typed out.

What Blud stated is all very correct. However, it must be brought to everyones attention that Tazmo has expanded into full blown, stand alone websites that he has referred to as "revolutionary services".

http://www.anime-plus.com

and

http://www.manga-plus.com

These websites seek to misinform manga and anime fans across the world into believing that his services are fair, the only one of their kind, and more secure than using other resources such as IRC or BitTorrent to get what you want.

The truth is as follows: Tazmo himself uses IRC and BitTorrent to get the files on his websites. He uses the FREE resources that every single one of you can also use, so that he can charge you various fees for getting what is FREE.

Tazmo is profiteering off of a FREE service provided by various members of the anime and manga community who donate their spare time to bring the latest manga and anime to you for FREE. They donate their time, work, and abilities in various areas, as well as use their own bandwidth to serve files.

There are various FREE ways to get and read the manga you want. There are free online readers such as http://www.onemanga.com, as well as http://www.mangahut.com and http://www.mangatoshokan.com.

There are also resource websites such as http://www.mangahelpers.com, http://www.mangashare.com, as well as database resource sites such as http://www.mangaupdates.com.

There are thousands of people who work thousands of hours weekly to bring you the manga you love to read, as well as the anime you love to watch. They do it not to make a profit, but for FREE as a FREE service to the community that we all love very much. **EVERYTIME TAZMO MAKES MONEY OFF OF THEIR HARD WORK HE NOT ONLY INSULTS THEM, BUT INSULTS ALL THOSE WHO PAY FOR HIS SERVICE. Do the right thing, stop supporting Tazmo.**

Drafted by Kaiah. Inspired by Blud. Free distribution with any releases is encouraged.
Fight Tazmo. Put this and Blud's page in your releases to get the word out.

THE MEDIA'S SAYING HOW HE'S GOT THE TALENT TO GO AS AN A REPRESENTATIVE IN 2006!
HE SUCCEEDED IN GETTING TO NATIONALS THREE TIMES IN A ROW, SHIZUOKA'S PRIDE AND JOY. KAJI!
BUT THE REAL DEAL'S THAT GUY OVER THERE.

SHINO!
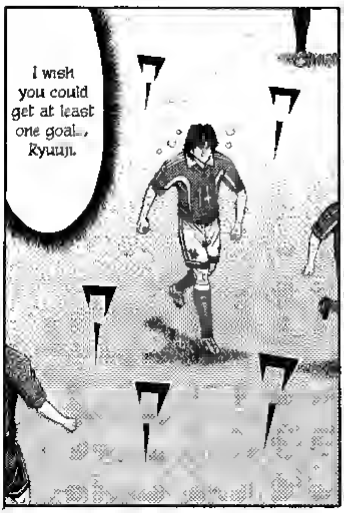
Obviously... that's my job, isn't it...?

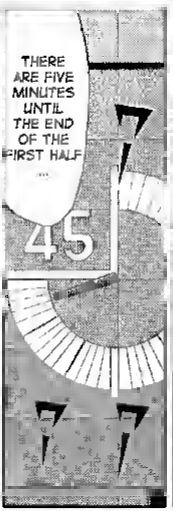
But when he doesn't, I can go after him up until around the middle of my team's area... after that, it's all up to the 3 defenders.
I will follow him to the ends of Hell whenever he has the ball,

THEY'RE EXHAUSTING THEIR PHYSICAL STRENGTH MORE INTENSELY THAN I EXPECTED
THEY'RE BEHIND BY TWO GOALS AND CAN'T TAKE CONTROL OVER THE GAME'S PACE

If they're going to hold down the left side, then I'll attack up the right!
haa haa



I wish you could get at least one goal... Ryuuji.



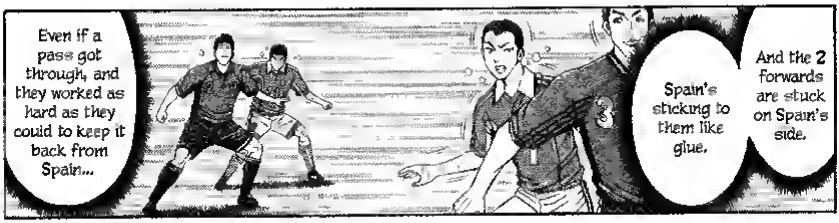
THERE ARE FIVE MINUTES UNTIL THE END OF THE FIRST HALF ...
45

ALL RIGHT!
HOLD ON TO THE BALL AND USE YOUR TIME CAREFULLY! MOVE UP WITH IT AS WELL AS YOU CAN!
DON'T RUSH YOURSELF!

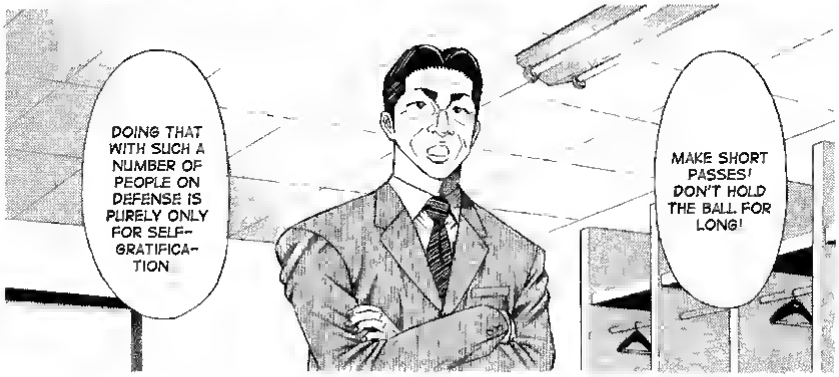
The ball went to one of the 3 defenders on the right...
When in good condition, they played with the ball like a pinball.
An entire length of time was filled with Japan doing nothing but going on the attack ...
And up the line from him was Ryuuji...

What to do...?

The midfield's worn out and are really slow getting up the field...



Even if a pass got through, and they worked as hard as they could to keep it back from Spain...
Spain's sticking to them like glue.
And the 2 forwards are stuck on Spain's side.



DOING THAT WITH SUCH A NUMBER OF PEOPLE ON DEFENSE IS PURELY ONLY FOR SELF-GRATIFICATION
MAKE SHORT PASSES! DON'T HOLD THE BALL FOR LONG!

Whatever, it doesn't matter!
I will cut through them all myself!
14
NO 8 HAS ALREADY COME UP BEHIND HIM!
HE'S KEEPING CLOSE SO TIGHTLY THAT SHINO CAN'T MOVE FORWARD

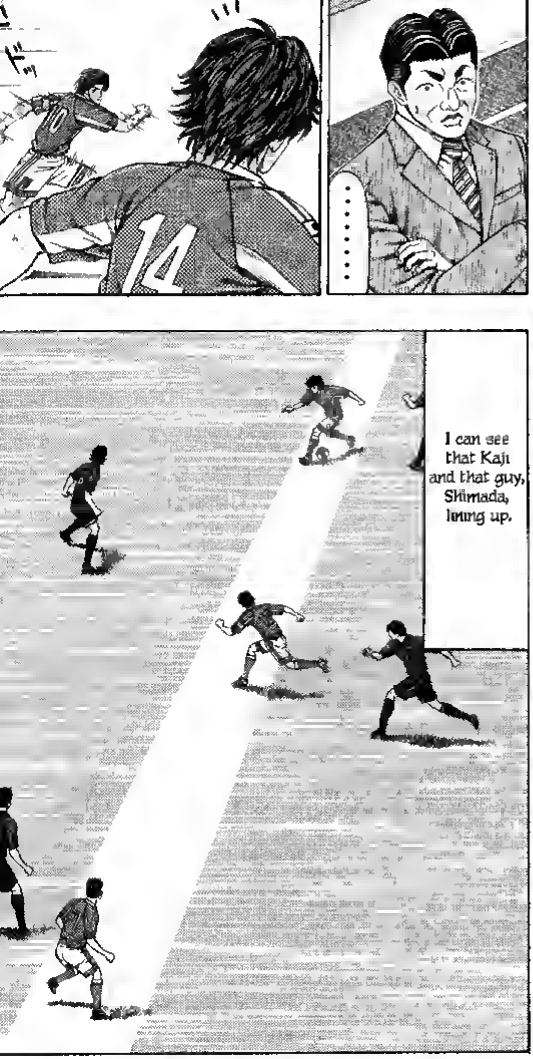
HE BROKE AWAY FROM NO.8!



14

I can see that Kaji and that guy, Shimada, lining up.

You told me to go for light plays, didn't you, Coach Jinbo?
I saw as much in the training camp... and true enough, the power of the players in the clubs around the world in this opening game are really something...

Judge it in an instant
Feel me out, Kaji!

[K-originally blank.]
And the ball passed through Shimada.
He'll trap the ball and control it to head over to the goal...
He got what kind of course I was going for
That's it!
